Thunderstorm

Domine

No one can enter this sacred place
I am the Keeper of this Holy Ground
I master the Power, I possess the Force
White lightning flashing from the sky
My magic will obscure the sun
I'll show you my Power, I'll show you my glory[Pre Chorus]
No one can stop me, nobody can
quench my thirst for intruders' lives
From my Watch Tower, I rule the skies
And I will burn them down[Chorus]
I raise my arms to the sky, so I can command the Lightning
The Winds of Thor are blowing strong, I summon them again
And I will burn them down with my...Thunderstorm[Pre Chorus]
No one can stop me, nobody can
quench my thirst for intruders' lives
From my Watch Tower, I rule the skies
And I will burn them down[Chorus]
I raise my arms to the sky, so I can command the Lightning
The Winds of Thor are blowing strong, I summon them again
And I will burn them down with my...Thunderstorm
