

# Thunderstorm

## Domine

No one can enter this sacred place  
I am the Keeper of this Holy Ground  
I master the Power, I possess the Force  
White lightning flashing from the sky  
My magic will obscure the sun  
I'll show you my Power, I'll show you my glory[Pre Chorus]  
No one can stop me, nobody can  
quench my thirst for intruders' lives  
From my Watch Tower, I rule the skies  
And I will burn them down[Chorus]  
I raise my arms to the sky, so I can command the Lightning  
The Winds of Thor are blowing strong, I summon them again  
And I will burn them down with my...Thunderstorm[Pre Chorus]  
No one can stop me, nobody can  
quench my thirst for intruders' lives  
From my Watch Tower, I rule the skies  
And I will burn them down[Chorus]  
I raise my arms to the sky, so I can command the Lightning  
The Winds of Thor are blowing strong, I summon them again  
And I will burn them down with my...Thunderstorm
