Spider Lace

Carlene Carter

I'd love to have feel from my hiding place
Deeper in love with each passing day
A new love is blinding me but I did not careLike a sunlight on sand
He wore my soul, if love could be bought
Than mine had been sold
I'd be lying if I said he did not move me[Chorus]
Were you caught on spider lace,
How that morning glowing tends to lose its place
When the sun is in his hug always
And the wind is in his heartWell I've had my share of dancing around
But dancers like him are seldomly found
Wings on his hand and the sun in his kissTo careless I was, to foolish to see
So easy to love not east to leave
Cheaters always win the losers always weak[Chorus: x2]
