

# Hooked On You

[Lera Lynn](#)

You were running round  
Making sure I can't find you  
And you come home late tonight  
You'll apologize for leaving me so long hanging  
But your eyes say you're a lie  
When we met, of my touch you got all you could get  
And we dreamed of a love long and true  
But just like the snow, so are you  
Cold and disappearing to the blue  
Well I'm hooked on you  
And what can I do?  
I know that you know how to love me  
But your arms stay by your side  
Have you found love somewhere else and are you saying  
that what you see came in my eyes  
When we met, of my touch you got all you could get  
And we dreamed of a love long and true  
Well just like the snow, so were you  
Cold and disappearing to the blue  
Well I'm hooked on you  
And what can I do?  
When we met, of my touch you got all you could get  
And we dreamed of a love long and true  
Well just like the snow, so were you  
Cold and disappearing to the blue  
I'm hooked on you  
What can I do?
