

Calling All Boys

The Flirts

I'm not the type that easily crys
But I must admit there was a tear in my eye.
Now I know that I love you and I'll know I'll be true too.
Calling all boys
I'm calling all boys - I love you
I do.
Calling all boys
I'm calling all boys - I need you
I do.No
I'm not the type that easily swayed but I must admit that I wanted to stay
Yes
I know that I want you and I'll always be true too.
Calling all boys
I'm calling all boys - I love you
I do. . . .
Hey boys
I think your cute in tight blue jeans and French cut suits.
Outta sight
outta mind
your quite a catch your quite a find.
Ooh
you're slick
ooh
you're chic
you're so hot
you're so sleek.
You got class
you got style
I've wanted you all the while.
I'm not the type that easily crys but I must admit there was a tear in my eye.
Now I know that I love you and I'll know I'll be true too.
Calling all boys
I'm calling all boys - I love you
I do. . . .
