Even Better Than the Real Thing

U2

Give me one more chance
And you'll be satisfied
Give me two more chances
You won't be deniedWell my heart is where it's always been
My head is somewhere in between
Give me one more chance
Let me be your lover tonightYou're the real thing
Yeah the real thing
You're the real thing
Even better than the real thingGive me one last chance
And I'm gonna make you sing
Give me half a chance
To ride on the waves that you bringYou're honey child to a swarm of bees
Gonna blow right through you like a breeze
Give me one last dance
We'll slide down the surface of thingsYou're the real thing
Yeah the real thing
You're the real thing
Even better than the real thingWe're free to fly the crimson sky
The sun won't melt our wings tonightOh now
Here she comesTake me higher
Take me higher
You take me higher?
You take me higher?You're the real thing
Yeah the real thing
You're the real thingEven better than the real thing
Even better than the real thing
Even better than the real thing
