

Even Better Than the Real Thing

U2

Give me one more chance
And you'll be satisfied
Give me two more chances
You won't be denied Well my heart is where it's always been
My head is somewhere in between
Give me one more chance
Let me be your lover tonight You're the real thing
Yeah the real thing
You're the real thing
Even better than the real thing Give me one last chance
And I'm gonna make you sing
Give me half a chance
To ride on the waves that you bring You're honey child to a swarm of bees
Gonna blow right through you like a breeze
Give me one last dance
We'll slide down the surface of things You're the real thing
Yeah the real thing
You're the real thing
Even better than the real thing We're free to fly the crimson sky
The sun won't melt our wings tonight Oh now
Here she comes Take me higher
Take me higher
You take me higher?
You take me higher? You're the real thing
Yeah the real thing
You're the real thing Even better than the real thing
Even better than the real thing
Even better than the real thing
