Unforgiven

The Go-Go's

Always trying to clean up my catastrophes
Taking full responsibility
Living my life like every day is the last
Remodeling the wreckage of my pastBut when it comes to you
I know I said I do
But I dont, no, I dontYoure unforgiven, so go on living
Knowing that I've unforgiven you
And my thanksgiving came the day
I saw it was okay to unforgive youConfessing every sin doesnt make me a saint
Even though its obvious, Ive changed
Once I forgave you but I did not forget
Now Im taking back everything I saidYoure unforgiven, so go on living
Knowing that I've unforgiven you
And my Thanksgiving came the day
I saw it was okay to unforgive you
