

# Unforgiven

## The Go-Go's

Always trying to clean up my catastrophes  
Taking full responsibility  
Living my life like every day is the last  
Remodeling the wreckage of my past But when it comes to you  
I know I said I do  
But I dont, no, I dont Youre unforgiven, so go on living  
Knowing that I've unforgiven you  
And my thanksgiving came the day  
I saw it was okay to unforgive you Confessing every sin doesnt make me a saint  
Even though its obvious, Ive changed  
Once I forgave you but I did not forget  
Now Im taking back everything I said Youre unforgiven, so go on living  
Knowing that I've unforgiven you  
And my Thanksgiving came the day  
I saw it was okay to unforgive you
