

Wolf in Sheep's Clothing (feat. William Beckett)

Set It Off

Advisory - the following lyrics contain explicit language:

Beware, beware, be skeptical
Of their smiles, their smiles of plated gold
Deceit so natural
But a wolf in sheep's clothing is more than a warning Baa baa black sheep, have you any soul?
No sir, by the way, what the hell are morals?
Jack be nimble, Jack be quick
Jill's a little whore and her alibis are dirty tricks So could you
Tell me how you're sleeping easy
How you're only thinking of yourself
Show me how you justify
Telling all your lies like second nature
Listen, mark my words, one day
You will pay, you will pay
Karma's gonna come collect your debt Aware, aware, you stalk your prey
With criminal mentality
You sink your teeth into the people you depend on
Infecting everyone, you're quite the problem Fee fi fo fum, better run and hide
I smell the blood of a petty little coward
Jack be lethal, Jack be slick
Jill will leave you lonely, dying in a filthy ditch So could you
Tell me how you're sleeping easy
How you're only thinking of yourself
Show me how you justify
Telling all your lies like second nature
Listen, mark my words, one day
You will pay, you will pay
Karma's gonna come collect your debt Maybe you'll change
Abandon all your wicked ways
Make amends and start anew again
Maybe you'll see
All the wrongs you did to me
And start all over, start all over again Who am I kidding?

Now let's not get overzealous here
You've always been a huge piece of shit
If I could kill you I would
But it's frowned upon in all fifty states
Having said that, burn in hell So could you
Tell me how you're sleeping easy
How you're only thinking of yourself
Show me how you justify
Telling all your lies like second nature
Listen, mark my words, one day
You will pay, you will pay
Karma's gonna come collect your debt
Karma's gonna come collect your debt
Karma's gonna come collect your debt
