

# Walk into the Light

## Insane Clown Posse

Ladies and gentleman, welcome to the sensational and amazing... Carnival of  
Carnage! They said it couldnt happen, they said it wouldn't last, but boys and  
Girls and everyone we've got a carnival for that ass! Tens of thousands of  
Freaks, sideshows, and fools, a carnival who together lives by there own rulesWe looked into the stars, foretold  
everyone, something dark and wicked this way  
Comes. We told of oddities, crawling from the dark, and a carnival which we can  
All belong. I dwell upon the streets, and I can tell you this: I see some  
Circus, Juggalo shit going on. People drawn together, by rare and scrubby  
Music, and we even gather once a year to PUT IT DOWN!With tilt-a-whirls and merry goes', and carnivals of  
Faygo, were just trying to  
Tell you abot the light, right. Now all the Jokers Cards have fallen with  
Spectacular array, so when the Wraith is calling, walk into the light, right.I hold a bloody axe, dress in hatchet  
red, we speak languages people don't  
Understand. I send Faygo's via punted clear across a stadium in fashion only  
Fuckin' Juggalos could ever demand. I got ninjas in my backyard wearing Anybody  
Killa paint, I'm thinkin' "What the fuck is going on?" Then I see the platinum  
On the wall, and I realize the Carnivals been right here all along, so lets  
Bring it on.With tilt-a-whirls and merry goes', and carnivals of Faygo, were just trying to  
Tell you about the light, right. Now all the Jokers Cards have fallen with  
Spectacular array, so when the Wraith is calling, walk into the light, right.The crows have overlooked, we gave  
you all they gave, the carousel will spin on  
Through the night. In Oz Id be the Wizard, 'cause I'm overwhelmed, but we hoped  
The Jokers Cards would point you out to the light /So you will be tight/ RightWith tilt-a-whirls and merry goes',  
and carnivals of Faygo, were just trying to  
Tell you about the light, right. Now all the Jokers Cards have fallen with  
Spectacular array, so when the Wraith is calling, walk into the light, right.
