Follow The Light

Travis

Nobody really knows
Where they're supposed to go
Hiding behind a wall
Afraid that they'll lose it allBut it's alright
Just follow the light
And don't be afraid of the dark
In the moonlight
You'll dance till you fall
And always be here in my heartBut nobody wants to know
'cos nobody even cares
Everyone's on the make
Yeah and everyone's out for themselvesMe I'm on the longest road
Where everything's overload
But I've got my heart and soul
So don't throw me overboard'cos it's alright
Just follow the light
And don't be afraid of the dark
In the moonlight
You'll dance till you fall
And always be here in my heart'cos it's alright
Just follow the light
And don't be afraid of the dark
In the moonlight
You'll dance till you fall
And always be here in my heart'cos it's alright, alright now
And you're alright
Yeah we're alright now
