

Go on Home

[Hank Cochran](#)

(Go on home you don't belong here with me)
You're watching your watch and I know what's on your mind
There's someone home waiting and you're away over time
What should be so right is wrong as can be
Go on home you don't belong here with me I love you I love you I love only you
But the one home waiting honey he loves you too
He's watching and wondering where can you be
Go on home you don't belong here with me Go on home you don't belong here with me
Though I want you and I need you desperately
But to hide in the darkness is wrong as can be
Go on home you don't belong here with me
Go on home you don't belong here with me (go on home)
