Blue Skies

Tom Waits

Blue skies over my head
Give me another reason to get out of bed
Blue skies shine on my face
Give me another woman to take her placeAin't got no money, cupboards are bare
No cigarettes and the kids got nothing to wear
She walked out without a word
Now the only sound left is the morning bird singingBlue skies over my head
Give me another reason to get out of bed
Blue skies shine on my face
Give me another woman to take her placeBlue skies over my head
Give me another reason to get out of bed
Blue skies shine on my face
Give me another woman to take her place
Give me another woman to take her place
