SH09 Is Back

Lamb

Eyes on the road
Heart in my mouth
Silver and gold
My north and my southAnd it's been oh oh oh oh oh so long
Since the you and the I made a one
There's a boom boom boom boom in my song
That's been hiding since you have been goneWater on glass
Trembling so
Driving too fast
Miles go too slow
And it's been oh oh oh oh oh so long
Since the you and the I made a one
There's a boom boom boom boom in my song
That's been hiding since you have been gone
