Shorty, this way
Bounce, bounce
Bounce, bounce
C'mon, c'mon shorty
Bounce, bounce
Bounce, bounce
Bounce with me I met her at a naughty show
I'm thinkin' 'bout velacio
But, what you gotta hit me up
I didn't think she would though
Got home and had a voicemail
It's her, like, "What up R.L.?"
The number to her cell
Sayin' when I was free give her a yell Never knew you'd be the one for me
All the things you done, done for me
Who'd have known you had a son for me
Just gotta let you know Shorty, you can have my box number
Cell number, fax number, momma number
Call me, I'll be right there, always baby
'Cuz you're one for me
I'll never hurt ya, never leave ya
I'll always be there, surely
You know, you're like my homie
'Cuz you're my shorty She's the type to go outside house
Shoes weave undone and still look good, son
Type to fight at the club, where a nigga tryna mugg her
'Cuz he tried to show her love
Type to go through your pant's pockets, swing ya sleeve
Check ya pager when it beep, try to catch you on the creep
Wash your clothes, cook your food, watch the kids
Love at the same time
I'm so glad she's my I knew you were the one for me
I knew my player days were done for me
Shorty girl, you're really something
And I just wanna let you know Shorty, you can have my box number
Cell number, fax number, momma number
Call me, I'll be right there, always baby
'Cuz you're the one for me
I'll never hurt ya, never leave ya

I'll always be there for ya surely
You know, you're like my homie
'Cuz you're my shortyShorty gotta let you know
How much you mean to me
I never let you go
Shorty, shorty
Always been down for me
So anything you'll ever need
Just let me know
Shorty, shorty
