Freak Out

Wintersleep

Am I unreliable?
I'm not burning fast enough
You can watch out of the game
Can we see its failsYou would freak out
I was part again
I was enlisted
Every clock you would freakin' out
Girl caught in the mirror
I was sick of love
How am I feelin'?
Hoohoohoohoo
And there's thousands of ghosts
And there's millions of tears I can host
There's no walking of hunger
For a drink to surrenderYou would freak out
I was part again
I was enlisted
Every clock you would freakin' out
Girl caught in the mirror
I was sick of love
How am I feelin'?Oh my darling
Dies have turned the wind
I believe you
Will I
Down in the [?]
Everything
You would freak out
I was part again
I was enlisted
Every clock you would freakin' out
Girl caught in the mirror
I was sick of love
How am I feelin'?
Hoohoohoohoo
