# I.O.U

## Freeze

Love is such a precious gift
One thing in my life, I know is true and I.O.U.
Deeper than the ocean bay
You touch me like no one could ever do, I.O.U.And I never could repay that look that's in your eyes
I could save up all my kisses till the end of time
All my love in my life 'til it's through, I.O.U.
(I.O.U.)Love is such a precious gift
The currency of life I never knew, now I.O.U.
Keep it for eternity
The vow I made the day, I said I do, I.O.U.
(I did it)And I never could repay the look that's in your eyes
So to pledge myself to you would be no sacrifice
All my love in my life 'til it's true, I.O.U.
(I.O.U.)You lay me down on hallowed ground
With one touch of your hand
You hold me like a baby
That's when suddenly I understandAll that you do, I owe it to you
All my love in my life 'til it's true, I.O.U.
All my love in my life 'til it's true, I.O.U., I.O.U.
All my love in my life 'til it's true, I.O.U.And I never could repay the look that's in your eyes
I could save up all my kisses 'til the end of time
So to pledge myself to you would be no sacrificeAll my love in my life 'til it's true, I.O.U.
(Baby, baby, I.O.U., one thing I know it's true)
Yes, I do
(Baby, baby, I.O.U., I.O.U., I.O.U.)
All my love in my life 'til it's true, I.O.U.
(I.O.U.)
