Do What You Want To Do

Michna

Do do do what, do do do what
Do do do what, do do do do whatchulike
Do what, do what, do what, do do what
Do do what, do what, do what
You don't need to be 6 foot 3
You don't need to be friends with me
You don't need to be on the internet
Cruisin' around the halls like you're teachers pet
You don't need to run a marathon
Fly a jet or have a big hit song
You don't need to always have your way
Double down or make a triple play
Do what you want to do
Whatever, whatever, whatever you choose
Everybody wants to tell you what to do
Just do what you want to do
Whatever, whatever, whatever you do
If you wanna get to me, you gotta get to you
You don't need to have a navel ring
You don't need to be able to sing
You don't need to have a big tattoo
Hanging with the boys like the last tycoon
You don't need to be in the Guiness Book
Be in therapy or a gourmet cook
You don't need to win the Nobel Prize
Play it safe and order super-size
Do what you want to do
Whatever, whatever, whatever you choose
Everybody wants to tell you what to do
Just do what you want to do
Whatever, whatever, whatever you do
If you wanna get to me, you gotta get to you
This is your only life to lead
Make sure you're doing what you please
Respect yourself, express yourself
Let yourself go, you know, there's nothing you can't do
You don't need to be double jointed
Did you know I won't be dissapointed
You don't need to be royalty

You don't need to have a photographic memory
Do what you want to do
Whatever, whatever, whatever you choose
Everybody wants to tell you what to do
Just do what you want to do
Whatever, whatever, whatever you do
If you wanna get to me, you gotta get to you
