

Run to the Water (acoustic version)

Live

oh desert speak to my heart
oh woman of the earth
maker of children who weep for love
maker of this birth
'til your deepest secrets are known to me
I will not be moved
I will not be moved"don't try to find the answer
when there ain't no question here
brother let your heart be wounded
and give no mercy to your fear"adam and eve live down the street from
me
babylon is every town
it's as crazy as it's ever been
love's a stranger all aroundin a moment we lost our minds here
and lay our spirit down
today we lived a thousand years
all we have is nowrun to the water
and find me there
burnt to the core but not broken
we'll cut through the madness
of these streets below the moon
these streets below the moonand I will never leave you
'til we can say, "this world was just a
dream
we were sleepin' now we are awake"
'til we can sayin a moment we lost our minds here
and dreamt the world was round
a million mile fall from grace
thank god we missed the groundrun to the water
and find me there
burnt to the core but not broken
we'll cut through the madness
of these streets below the moon
with a nuclear fire of love in our heartsyeah, I can see it now lord
out beyond all the breakin' of waves
and the tribulation
it's a place and the home of ascended
souls
who swam out there in love!run to the water

and find me there
burnt to the core but not broken
we'll cut through the madness
of these streets below the moon
with a nuclear fire of love in our hearts
rest easy baby, rest easy
and recognize it all as light and rainbows
smashed to smithereens and be happy
run to the water (and find me there)
run to the water
