You Landed So Gracefully

Up Up Down Down Left Right Left Right B A Start

It's not your fault that i managed to see
how you fell but you landed so gracefully
and half the time i was standing still
i don't want you to catch me but i know that you will
have you heard the story of my two best friends?
one was me and the other was all my things
and in that house where i used to be from
i am nothing and nothing is number 1
take your turn at the end of the line
i'm finally first, but i'm waiting for some friends of mine
how's that song go about who you are?
and how everythings changing
but i haven't changed so far
