Dear Dead Bride

Venturia

Night came,sounds became whispers
To my mind their words clang,bitter
My soul turned into their prisoner
Gloom took me away,deeper and deeper

At last my head began to find peace
My whole body dived into bliss
All of a sudden your figure appeared
And slowly came your words to my ears:

â€œLook at me reach my handâ€•,you said
Your eyes were so black and your face so pale
But you were too high in the divine skies
I couldnâ€™t touch you,my dear dead bride

Holy voices came through the clouds
Whispers became noise,so loud
â€œYour dear dead bride lies in the ground
If your scar is still a red wound
Go and find her
Unmask the killerâ€•

With all my strenght and all my rage
I scraped the mud,broke the cage
Got lost in this frightening race
But didnâ€™t find you,even not a trace

Went back to the surface to breathe a new air
Shouted to the sky:â€•You lied to me,itâ€™s unfair
My dear dead bride isnâ€™t burried in the ground
â€˜Cause nothing,nothing of her has been foundâ€•

The voices talked to me once again
And reassured my poor heart so much in pain
â€œDear human,your research was not in vain
The killing dagger is just above,in the rainâ€•

My anger recovered,I fled to the skies
Then caught the clouds and tried and tried
But nothing of you came,no light,no flame

My body bled,I was almost insane

â€œIâ€™ll kill your dark vampireâ€•said I
â€œThe dagger will be in his handâ€•,voices replied
Throw his evil soul away,away
â€˜Cause heâ€™s not worth seeing another single dayâ€•...

...I woke up suddenly in the silent bedroom
It could be midnight or it could be noon
â€œThat was a bad dream,a cruel nightmareâ€•
But in my right hand,the dagger was there
