Memphis Train

Buddy Miles

Train number one is gone
Train number two is gone
Train number three is been gone
Now how long must I wait for you?All rightTime I laid my handkerchief on the floor
I'm getting ready to crawl
I'm getting down on my knees
I'm getting ready to crawlI said, ooh, wee, the Memphis train
Hey, now, now, now
Ooh, wee, the Memphis trainTrain number one is gone
Train number two is gone
Train number three is been gone
Now how long must I wait for you, all rightShucksOoh, wee, the Memphis train
Hey, now, now, now
Ooh, wee, it's a Memphis train
Yeah, oh, got me going nowOh, it's coming
It's coming down the track
It ain't, uh, it ain't, uh
It ain't coming back, no, it ain'tIt's going, going down the track
Yeah, now just keep moving on
It's got me moving
It's got me movingGot me coming, got me working
Got me moving now
Got me cooking now
Got me groovingGot me moving
Keep on down the track
