Everybody's Rockin'

Neil Young

When grandma and grandpa get out on the floor
They rock until they drop and then they rock some more
Yeah, everybody's rockin', well, everybody's rockin'
Everybody's rockin', rockin' to the dancin' beat.From the shaky city down to new orleans
The golden gate to the bronx and queens
Everybody's rockin', yeah, everybody's rockin',
Well, everybody's rockin', rockin' to the dancin' beat.When ronnie and nancy do the bop on the lawn
They're rockin' in the white house all night long.
Everybody's rockin', everybody's rockin',
Everybody's rockin', rockin' their blues away.Everybody's rockin', rockin' their blues away
Everybody's rockin', rockin' all night and day.
