

# Couple of Kids

## Maggie Lindemann

[Verse 1:]

Take me back to the night we met in the yard  
Climbing up to the roof hidden in the dark  
With a bottle of wine for two  
Though I'm already drunk of you  
Then we both fell asleep underneath the stars[Pre-Chorus:]  
We're young and naive  
And you're telling me  
That someday we'll run off together  
I'm starting to think  
I'm stuck in a dream

'Cause we're young and we don't know better[Chorus:]

Now I'm falling heavily, recklessly  
Trying not to lose my sensibility  
But gravity  
It pulls me into you  
We're just a couple of kids  
We're just a couple of kids  
Sneaking away for a kiss

'Cause we're just a couple of kids[Verse 2:]

When I'm wrapped in your arms  
I never feel a thing  
Living life on a wind is never a routine  
And it's troubling to live this way  
When you never know where you'll stay  
But we live and we learn  
I wouldn't change a thing[Pre-Chorus:]

We're young and naive  
And you're telling me  
That someday we'll run off together  
I'm starting to think  
I'm stuck in a dream

'Cause we're young and we don't know better[Chorus:]

Now I'm falling heavily, recklessly  
Trying not to lose my sensibility  
But gravity  
It pulls me into you  
We're just a couple of kids  
We're just a couple of kids

Sneaking away for a kiss  
'Cause we're just a couple of kids  
'Cause we're just a couple of kids[Chorus:]  
Now I'm falling heavily, recklessly  
Trying not to lose my sensibility  
But gravity  
It pulls me into you  
We're just a couple of kids  
We're just a couple of kids  
Sneaking away for a kiss  
'Cause were just a couple of kids
