

# Freight Train

## Adrenaline Mob

Rollin' down the line  
Heavy is the load  
Engine hissin' steam  
Lord I'm two miles long  
Oh yeah! Mountain in my way  
Sparks are flyin' high  
Into the darkness I go  
Holding my head high  
Oh yeah! Freight train rollin'  
Ya keep on rollin'  
Freight train goin'  
All night  
Freight train rollin'  
Ya keep on goin'  
Rollin' down the line Freight train rollin'  
Ya keep on rollin'  
Freight train rollin'  
All night  
Freight train rollin'  
Ya keep on goin'  
Rollin' down the line [Solo] Engine 'bout to blow  
I'm in overdrive  
Straight down the barrel I go  
Lord I see the light Freight train rollin'  
Ya keep on rollin'  
Freight train goin'  
All night  
Freight train rollin'  
Ya keep on goin'  
Rollin' down the line Freight train rollin'  
Ya keep on rollin'  
Freight train rollin'  
All night  
Freight train rollin'  
Ya keep on goin'  
Rollin' down the line
