War Is My Shepherd

Exodus

You put your faith in Christianity
I put mine in artillery
My M-16, my lord and savior
Christ never done me a motherfucking favorPay for all of those in pain
For those who died in vain
Scars from battle nevermore
Still we march off to war, war
War, war is my shepherdHate it if we can't comprehend it
Kill it if we don't understand it
Pray to God and your fate is sealed
As you die alone in the killing fieldsPay for all of those in pain
For those who died in vain
Scars from battle nevermore
Still we march off to war, war
War, war is my shepherdFarewell Graham and Farrakhan
They need God, I need napalm
Praise the Lord and pass the ammunition
My sermon is my demolitionWar, war is, war is my, war is my shepherd
