

# War Is My Shepherd

## Exodus

You put your faith in Christianity  
I put mine in artillery  
My M-16, my lord and savior  
Christ never done me a motherfucking favor  
Pay for all of those in pain  
For those who died in vain  
Scars from battle nevermore  
Still we march off to war, war  
War, war is my shepherd  
Hate it if we can't comprehend it  
Kill it if we don't understand it  
Pray to God and your fate is sealed  
As you die alone in the killing fields  
Pay for all of those in pain  
For those who died in vain  
Scars from battle nevermore  
Still we march off to war, war  
War, war is my shepherd  
Farewell Graham and Farrakhan  
They need God, I need napalm  
Praise the Lord and pass the ammunition  
My sermon is my demolition  
War, war is, war is my, war is my shepherd
