Got To Be Free

Communions

Never in my wildest dreams
Did I think that I could feel the way I'm feeling tonight
I was never able to fly, but now I'm wondering how I got so high
Oh I'm walking on, whether or not you choose to lead the wayWhen you're young and alive
It's hard to make up your mind
But you have to decide
Just which way to turnSomething's got a hold on me
I gotta be free, I gotta be free
Oh oh oh oh oh, take a look inside
Infinitely, oh infinitely
Go take all the time you need
I gotta be free, I gotta be free
Oh oh oh oh oh, take a look inside
People say that I'll turn out fine
Living my life, moving in line
I was never able to breathe there underwater
Or shine like your diamond shines
I'll stop walking on, whether or not you choose to lead the wayWhen you're young and alive
It's hard to make up your mind
But you have to decide
Just which way to turnSomething's got a hold on me
I gotta be free, I gotta be free
Oh oh oh oh oh, take a look inside
Infinitely, oh infinitely
Go take all the time you need
I gotta be free, I gotta be free
Oh oh oh oh oh, take a look inside
Something's got a hold on me
I gotta be free, I gotta be free
Oh oh oh oh oh, take a look inside
Infinitely, oh infinitely
Go take all the time you need
I gotta be free, I gotta be free
Oh oh oh oh oh, take a look insideI gotta be free
I gotta be free
I gotta be free
I gotta be free
Oh come on, come on, come on
I gotta be free, I gotta be free
