

There'll Be Some Changes Made

Lizzie Miles

There'll Be A Change In The Weather And A Change In The Scene
How Is That?

I'm Gonna Start Wearin' Leather And Change My Routine
I'll Wear Dark Glasses Maybe A Toupee
I'll Get Down And Boogie And Become Risque
I'll Start Wearin' Make-Up Like Jackson And Prince
You'll See Me Ridin' In My Mercedes Benz
Nobody Wants You When You Just Play Guitar
There'll Be Some Changes Made Tomorrow

There'll Be Some Changes Made Y'know Chet, You're Never Gonna Get To Play That Rock & Roll
Why Is That?

You're Kinda Country, A Little Bit Old
That Hurts

But Your Money For Nothin' And Your Chicks For Free
Well, Them Groupie Girls Ain't What They're Cracked Up To Be
Well Not All Of Them Anyway

Well I'd Really Like To Find Out For Myself, Don't You Know
I've Had A Kind Of Quiet Life Down Here On Music Row
Oh I Know

Well Uh... Like A Man, What Do You Think?
Man, I Don't Know

I Really Think That I Can Make The Grade
Daddy-O Daddy-O

There'll Be Some Changes Made
I Think I Was Sharp There
Just Play One - Just Play Yeah
You've Played Before
Watch It, Watch It

Stand Back Boy Well I'd Really Like... To Find Out For Myself,
Don't You Know. 'Cause
Like I Said I've Had A Sheltered Life
Down Here On Music Row
I Don't Believe So

Well What... What Do You Think Mark?
I Dunno

I Really Think That I Can Make The Grade

There'll Be Some Changes Made Now Listen To This I'm Gonna Play Some Rock And Roll There'll Be Some
Changes Made... Yeah
There'll Be Some Changes Made

Now Let's All Play Anybody Hurt?
I Learned This At... At Summer Bible School
Well, I Never Could Trust A Saint
I'm Only A Part-Time Saint
Pretty Good But You're No Mark Knopfler
What About That One There?
Not All That Bad
I Like That
I Like That
Don't Make Me Look Bad Now, Don't Make Me Look Bad
Respect For Your Elders There'll Be Some Changes Made
