Love Commander

The Married Monk

Hey love commander
What do you see?
I see a woman down on a knees
Been on liquor been on weed
Hey love commander
What do you hear?
Well I hear it blowing
The wind of hell
As she comes in mary belle
She's peculiar
She's a fibber
Nobody's babe
But the one I've got on my mind
Such a cool one
But give me a clue
For I just don't know
Where she's been
Hey love commander
This babe's gone
Like a flying nun
Now she's having fun
Where booze is cheap
And men are weak
Hey love commander
Show me the way
Tell me that my name was not in vain
And maybe love will come again...
