

# Don't Need No

## Big Arch

Don't need no chorus cashin' candy now  
Don't need no callus crush to come around  
And I don't know who you are  
You and your boys ain't got nothing on me  
I've had my last eight drinks in here for free  
Cause that's my friend tending bar

Yeah I got a friend who tends bar  
And she won't let me tip her  
When I get tired tonight she'll take me home  
And if it's cold under the cover she'll keep me warm  
Sweet lovely friend who tends bar  
And lovely friends, who ten
