Unto Thee

J. Moss

Unto thee, Oh Lord
I dedicate my service
Unto thee, Oh Lord
In truth I give my worship
Behold the King of glory
Strong and mighty
I love to be
In the presence of His majesty

I lift my hands
And I'll lift my voice unto the Lord
I give my life
I give my soul for my reward
I submit my all unto thee

Unto thee, Oh Lord
I dedicate my service
Unto thee, Oh Lord
In truth I give my worship
Behold the King of glory
Strong and mighty
I love to be
In the presence of His majesty

I lift my hands
And I'll lift my voice unto the Lord
I give my life
I give my soul for my reward
I submit my all unto thee

[BRIDGE:]
I live to praise and please You
O, God of all the heavens and earth
The Father who's so high and holy
Depp in my temple, rests
A heart that won't be persuaded not to serve You

I lift my hands
And I'll lift my voice unto the Lord
I give my life

I give my soul for my reward

I lift my hands
And I'll lift my voice

I submit all unto thee
