I'll Wait For You

Sarah Darling

Waiting for that one day to wake up and not feel that feeling
Like a million are coming at you and weighing you down
Things come and go
Tides and rivers flow
Good always comes back around
I believe that someday, even if it isn't now

And I love you so much
I'll wait for you
I'll wait for you
And no matter what
I'll wait for you

Waiting for that one day to see you walking in sunshine
With freedom in your heart and love on your face
Time takes time, we'll be alright
Nobody's walking away
I believe that letting go
Is the only way I can stay

And I love you so much
I'll wait for you
I'll wait for you
And no matter what
I'll wait for you

And I love you so much
I'll wait for you
I'll wait for you
And no matter what
I'll wait for you

I'll wait for you
