Stay

Fifth Harmony

Normani:
All along it was a fever
A cold sweat hot-headed believer
I threw my hands in the air, said, "Show me something,"
He said, "If you dare come a little closer."Fifth Harmony (Lauren leading):
Round and around and around and around we go
Oh, now tell me now tell me now tell me now you knowLauren:
Not really sure how to feel about it
Something in the way you move (Ally: Something in the way you move)
Makes me feel like I can't live without you
It takes me all the wayFifth Harmony (Lauren leading):
I want you to stay
I want you to stayLauren:
Oh, the reason I hold onCamila:
The reason I hold onDinah:
Oh, cause I need this hole goneFifth Harmony:
Funny you're the broken one
But I'm the only one who needed saving
Cause when you never see the light
It's hard to know which one of us is cavingCamila:
Not really sure how to feel about it
Something in the way you move (Lauren: Something in the way you move)
Makes me feel like I can't live without you
It takes me all the way
I want you to stay, stay
I want you to stay, oh
I want you to stay
