

Someone Who'll Get It

Highasakite

Send somebody to me alive
send somebody vital
send someone not likely to die
send someone who's vital
send a fighter send a fighterSend somebody to me tonight
send somebody bolder send
someone not likely to break
send someone who's older
send a soldierTonight is all you got to go with me
there's no more everyday
tonight is all, today is over
there's no more everyday
send a soldierSomeone who'll get it
Someone who'll get it
Someone who'll get it
Someone who'll get it that's allSomeone who'll get it
Someone who'll get it that's allSomeone who'll get it
Someone who'll get it
Someone who'll get itSend somebody out of his mind
send a god damn leader
send someone not psycho polite
send some god damn freedom

Someone who'll get it
Someone who'll get it that's all
Someone who'll get it

Someone who'll get it

Someone who'll get it
Someone who'll get it
Someone who'll get it that's all
Someone who'll get it
