

# California

## Mazzy Star

I think I'm going back to California  
Summer  
Distant  
And it's so far away  
It's so far  
It's so far, far away I think I'll drift across the ocean now  
Clouds look so clear in your eyes  
Let me bring all my,  
Let me bring all my friends I think I'll fly across the ocean  
I can watch the sky turning gray  
I think I'm going back  
I think I'll go back I think I hear the whisper of my old best friend  
I think I hear the bells ringing in the square  
California  
California
