

# With You

## 3T

Girl it's so unreal  
The way you make me feel  
I've got to give it up to you  
Girl sometimes it seems  
What you really need  
Is someone who will be right here with you Oh girl I think I love ya  
(It's no mistake)  
I am here for you  
I came to tell you baby  
(Love's here to stay)  
So you'll never feel so sad or lonely again Baby you can call me crazy  
There's nothin' that I wouldn't do  
Girl I wanna spend my life with you  
Even though you're not my lady  
All I wanna really do  
Is spend my life and be right here with you So if you ever need sensitivity  
Baby you know just where to go  
'Cause girl it seems to me  
To one thing that you really need  
Is someone who will be right here with you Oh girl I know I love ya  
(It's no mistake)  
I am here for you, only you  
I came to tell you baby  
(Love's here to stay)  
So you'll never feel so sad or lonely again, again Baby you can call me crazy  
There's nothin' that I wouldn't do  
Girl I wanna spend my life with you  
Even though you're not my lady  
All I wanna really do  
Is spend my life and be right here with you Baby you can call me crazy  
There's nothin' that I wouldn't do  
Girl I wanna spend my life with you  
Even though you're not my lady  
All I wanna really do  
Is spend my life and be right here with you Baby you can call me crazy  
There's nothin' that I wouldn't do  
Girl I wanna spend my life with you  
Even though you're not my lady  
All I wanna really do

Is spend my life and be right here with you
