Dirty Hercules

DIRTY HERCULES
NGAIIRE (FT. NAI PALM)

(Verse 1)
I see you there (lying in the dark)
Hiding your face (writing in the fog)
I hardly send you out an invitation for a fight
But now your hounding me whispering the tax in the night ooh
(CHORUS)
I come in peace Dirty Hercules
You live your life
I'm just passing by
I'm in peace Dirty Hercules
(Verse 2)
Running around like you're still sixteen
The respect is on but it ain't for free
Excuse me what does is really mean
(PRE-CHORUS)
You shoot me down (like me dead in the end)
You hang me dry (like you're dirty laundry)
You're telling the tales (of who you think you are)
You shoot me down (like me dead in the end)
You hang me dry (like you're dirty laundry)
You're telling the tales (of who you think you are)
(CHORUS)
I come in peace Dirty Hercules
You live your life
I'm just passing by
I'm in peace Dirty Hercules
(BRIDGE)
(Nai Palm)
If you're gonna pick a fight
why don'tcha! (why don'tcha why don'tcha)
If you wanna pick a fight why don't ya!
If you wanna pick a fight
why don'tcha! (why don'tcha why don'tcha)
If you wanna pick a fight
why don'tcha! (why don'tcha)
why don'tcha!(4x)

(CHORUS 2x)
I come in peace Dirty Hercules
You live your life
I'm just passing by
I'm in peace Dirty Hercules
(AD-LIDS)
I come in peace Dirty Hercules(4x)
(OUTRO)
