

# ABC's (feat. Phoenix & Elijah Jennings)

## Lyfe Jennings

"ABC's" A, girl I used to know  
B, came my one and only  
C, she is all alone  
D, pressing, feeling lonely  
E, ventually she opened up  
F, effortlessly falling in love  
G, just must've been proud  
That H, love like this is still around Now you know your ABCs  
This is how love's supposed to be  
It's how I feel when you're close to me  
For your loving is everything Now you know your ABCs  
But thank you for taking a chance on me  
Now that you've learned your ABCs  
Next time won't you sing with me? I loved you from the start  
You were J walking through my heart  
OK, it's confusing for sure  
I would eLaborate some more  
But it's iMpossible to put in words  
INcredible till the point it hurts  
Oh, how you changed my life  
P. S. wondering will you be my wife? Now you know your ABCs  
This is how love's supposed to be  
It's how I feel when you're close to me  
For your loving is everything Now you know your ABCs  
But thank you for taking a chance on me  
Now that you've learned your ABCs  
Next time won't you sing with me? Q-pid must've shot me  
'Cause our love finally got me  
ESpecially when you're near me  
T, teaching me to see more clearly  
U are the only one for me  
From Venus and Mars and this galaxy  
W so I can have two  
EXceptional, Y you got me so crazy Now you know your ABCs  
This is how love's supposed to be  
It's how I feel when you're close to me  
For your loving is everything Now you know your ABCs  
But thank you for taking a chance on me  
Now that you've learned your ABCs

Next time won't you sing with me?
