

# She Got a Wiggle

Dexys

She got a wiggle, she got a wiggle that makes me melt,  
the problem is that I don't know if she even likes me,  
She's such a woman, she's such a woman, she's all I need,  
and I'm the one who loves her so, and now you know, and here I go,

I love her face and her soft brown hair,  
and the poses she strikes when she's standing there,  
she is woman and I just want her,  
and in her mind she says; (I'm mad about you)

She's mad about me

She got a voice that's soft and moist,  
caresses my ears while heightening my senses,  
sexy and warm and tender, I like it,

She got a wiggle, she got a wiggle that makes me melt,  
but I'm afraid to let her know, that I'm the one who loves her so,  
I love her and in my mind she said(I'm mad about you)

She's mad about me.

but it's only a dream

Got to make this real.

(Can't live without you)

Do you know what I mean?

(I'm mad about you)

She's mad about me

but it's only a dream

She got a wiggle, she got a wiggle that makes me melt,  
and I'm somehow gonna find a way to make her love me
