

Mosquito Coil

Zeromancer

It's looking out from inside
A Christmas bonus to last forever You think you're ready, don't you, don't you?
You think you're ready, don't you, don't you?
You think you're ready, don't you, don't you? It's a mosquito coil where boys and girls
Trying to stop their heads spinning
A mosquito coil, an instant supernova for beginners Once you're in, you can't get out
Dashboard Jesus has your number
And please remember me in your circle of friends It's a mosquito coil where boys and girls
Trying to stop their heads spinning
A mosquito coil, an instant supernova for beginners It's a mosquito coil, it's a mosquito coil
It's a mosquito coil, it's a mosquito coil
It's a mosquito coil, it's a mosquito coil What's killing you is killing me
One fling leads to another It's a mosquito coil where boys and girls
Trying to stop their heads spinning
A mosquito coil, an instant supernova for beginners
It's a mosquito coil, it's a mosquito coil
