

Still Got the Blues (For You)

Gary Moore

Use to be so easy
Give my heart away
But I found out the hard way
There's a price you have to pay

I found out love
Was no friend of mine
But I should have know
Time after time

{Chorus}
So long it was so long ago
But I still got the blues for you

Use to be so easy
Fall in love again
But I found out the hard way
It's a road that leads to pain

I found out that love
Was more than just a game
You playin to win
But you loose just same

So long, it was so long ago
But I still got the blues for you

So many years
Since I seen your face
But here In my heart
There's an empty space
Where you use to be

So long so long ago
But I still got the blues for you

Thou the days come and gone
There is one thing I know

I still got the blues for you
