

Vendetta

Throwdown

Advisory - the following lyrics contain explicit language:

This is our vendetta!Long road, We've treaded on since day one.

Hard times, We swore we would overcome.

Without this where the hell would we be? Dead inside!

Enemies - You can't kill what will not dieThis is war

 This is pure hostility

 This is vengeance

This is all that's driving meThis is our vendetta!Dead world, We're "out of step" with liars' times

 Enemies - We swore we would fight the line

This is all that drives us to survive... The life we breathe

 Power, Strength of the world inside of me.This is war

 This is pure hostility

 This is vengeance

This is all that's driving meThis is our vendetta against the world
