

Energy Sucker

Luscious Jackson

I'm stone free
Soulless one
I wash myself
Down to the dustI might be a mess
But I try to stay pure
You're takin' away
My soul, my soulHey, energy sucker
I'm a goddess
Not your mother
Hey, you're soullessYou're soullessYou got the pull
Of a riptide
Too tight man soon
You're gonna suck me inI better stay tough
Or you're gonna get me
Well now I wish that you
Never even met meYou're a type who acts nice
Just to get things
I can't relax 'cause
You're standin'
In your own wingsYou pretend you're
Grown up and satisfied
That's another lie
What can you give me?You're soulless
You're soullessHey, energy sucker
I'm a goddess
Not your mother
Hey, you're soullessI, I got a way to get out quick
In a second I'll be through
With your old tricksKinda funny how you try
To play innocent
I gave it up now
I don't know where it wentSuckin' up to the fool
Who gets near you
Now we're through
And I know just what to doI'm cuttin' you off
Yeah, you it's true
I'm cuttin' you off
Yeah, youI'm stone free
I'm stone freeI gotta get out

I gotta get out quick
I gotta, gotta get out quickI gotta get out
I gotta get out quick
I gotta, gotta get out quickI gotta get out
I gotta get out quick
(Hey, energy sucker)
I gotta, gotta get out quick
