

I Fix This

Richie Ramone

Oh wow, yeah yeah,
And I fix this

There's a kid standing on the street
Says looking for something to eat
Whoa whoa
Yeah yeah
I fix this

What's that you say you need?
Vitamins, psychotherapy
Whoa whoa
Yeah yeah
I fix this

I look in the mirror
And I hate myself
Don't want to face another day

Whoa
Yeah yeah
Uh huh
I fix this, this, this
I fix this, this, this

Whoa
Yeah
Uh huh
I fix this
I fix this

And you want a college degree?
B&D, well that's too much for me
Whoa whoa
Yeah yeah
I fix this

Holidays are not the same
Can't fish another day this week
Whoa whoa

Yeah yeah
I fix this

Whoa whoa
Stay with me
I fix this
