

# What's On My Mind

## Kansas

Well you told me that I was just not the one  
And you left me standing out in the cold  
It's been a long time and I'm so much better now  
That I'm looking back and seeing it all And for the first time there's no pain in my life  
Though it's a long hard road that I've gone  
We had a good thing  
And it made me a man and I know You got me goin'  
Pardon me my feelings are showing  
I'm only saying what's on my mind Well I found you or maybe I found myself  
And I think we knew it all of the time  
We fit together just like a lock and a key  
And we opened up each other's minds I was laughing 'cause there was no room to cry  
There was too much growing to do  
We had a good time  
And it ain't over yet 'cause I know You got me goin'  
Will you pardon me my feelings are showing  
I'm only saying what's on my mind You came from nowhere and you just jumped in my life  
And I know it never will be the same  
You made me love you and now I'm home once again  
No, I never want to leave you no more 'Cause I'm attached to the better half of myself  
And there's nowhere else that I'd rather be  
You filled an empty  
You fixed a bad broken heart and I know You got me goin'  
Pardon me my feelings are showing  
I'm only saying what's on my mind I'm only saying what's on my mind  
I'm only saying what's on my mind  
I'm only saying what's on my mind
