

# Love Song For No One

John Mayer

{This is a song love song for no one  
One, two  
One, two, three, four}  
Stayin' home alone on a Friday  
Flat on the floor lookin' back  
On old love  
Or lack thereof  
After all the crushes are faded  
And all my wishful thinkin' is wrong  
I'm jaded  
I hate it  
I'm tired of bein' alone  
So hurry up and get here  
So tired of bein' alone  
So hurry up and get here  
Get here  
Been searchin' all my days just to find you  
I'm not sure who I'm lookin' for  
I'll know it  
When I see you  
Until then, I'll hide in my bedroom  
Stayin' up all night just to write  
A love song  
For no one  
I'm tired of bein' alone  
  
So hurry up and get here  
So tired of bein' alone  
So hurry up and get here  
I could have met you in a sandbox  
I could have passed you on the sidewalk  
Could I have missed my chance  
And watched you walk away?  
Oh no, no way, hey, hey yeah  
Ha ha ha ha da, ha ha da da da  
Ha ha ha ha da da da da  
Oh yeah, oh yeah  
I could have met you in a sandbox  
(I could have passed you on the sidewalk)

(Could I have missed my chance)  
(And watched you walk away?)

I'm tired of bein' alone  
So hurry up and get here  
I'm so tired of bein' alone  
I'm tired of bein' alone  
So hurry up and get here  
I'm so tired of bein' alone  
So hurry up and get here  
She'll be so good  
She'll be so good for me  
Oh yeah be so good  
{Ditto}
