

This Land Is Your Land

Bob Holderbaum

As I Was Walking A Ribbon of Highway
I saw above me, there in the skyway
I saw below me, a golden valley
This Land Was made for you and me

I roamed and rambled and follow my footsteps
Through The sparkling sands of her diamond desserts
And all around me a voice was calling yeah
this land was made for you and me

This land is your land This land is my land
from California to the New York Islands
To the redwood forests to the Gulf stream waters yeah
This land was made for you and me

The sun was shining as i was strolling
The wheat fields waving and the dust clouds rollings
And the fog was lifted and a voice came calling yeah
this land was made for you and me

This land is your land This land is my land
from California to the New York Islands
To the redwood forests to the Gulf stream waters yeah
This land was made for you and me

This land is your land This land is my land
from California to the New York Islands
From the Tillamook forest to the Oregon waters yeah
This land was made for you and me

This land is your land This land is my land
from California to the New York Islands
To the redwood forests to the Gulf stream waters yeah
This land was made for you and me

This land is your land This land is my land
from California to the New York Islands
To the redwood forests to the Gulf stream waters yeah
This land was made for you and me
