Control (Juno Reactor Instrumental)

Traci Lords

I will control your soul
Control
I will control your soul
Let me control itYou said you're lonely
You said you're blue
You lost your lover
Let me console you
If you surrender
You'll feel no pain
'Cause I'm the master of this gameControl
Let me control it
Control
Let me control itLet me kiss it
I'll make it better
And then tonight
You will forget herLet me kiss it
I'll make it better
And then tonight
You will forget herControl your soul
Let me control it
Control your soul
Let me control itCome with me to the other side
Come with we'll swim beneath the tide
Come with me to the other side
Come with me beneath the tideControl (x3)
Let me control itI will control your soul (x6)
